MATHEMATICS

In Maths this term we will be exploring and understanding the qualities of 2D and 3D shapes. We will be deepening their knowledge and understanding of numbers up to 50 through fun activities both inside and outside the classroom. Addition and subtraction of one and two digit numbers will be a key focus this term, ensuring key number bonds are embedded into their mathematical learning.

History – Intrepid explorers.

We will meet Christopher Columbus and Neil Armstrong, investigating why they are remembered today, what they achieved and how they are similar to or different from each other.
